

Curriculum Vita

Sarah Wakefield

EDUCATION

Doctor of Audiology August 2008
Nova Southeastern University, Ft. Lauderdale, FL

Bachelor of Science Communication Disorders May 2004
Penn State University, University Park, PA

EXPERIENCE

Assistant Professor January 2012 – Present
Adjunct Professor, NSU Clinic May 2011 – January 2012
Nova Southeastern University

Doctoral courses taught:

- Diagnostics I: Audiologic Procedures Across the Lifespan Lab (AUD 5310L)
- Diagnostics II: Site of Lesion Assessment (AUD 6402)
- Intensive Labs (AUD 5602)
- Auditory Intervention (AUD 6310)
- Auditory Intervention Lab (AUD 6310L)
- Pediatric Aural Rehabilitation (AUD 7140)
- Aging of the Auditory and Vestibular Systems (AUD 7030)
- Introduction to Auditory Processing Disorders (AUD 6408)
- Introduction to Tinnitus (AUD 6508)

Student Precepting/Clinical Duties:

- On- and off-campus sites
- Pediatric and adult auditory processing evaluations
- Pediatric and adult diagnostic audiologic evaluations
- Electrophysiologic evaluations
- Adult hearing aid selection, fitting, orientation, follow-up, and repair

Clinical Audiologist July 2008 – May 2011
BrainChild Institute

Clinical Duties:

- Pediatric diagnostic audiological services

- Pediatric re/habilitative audiological services
- Multidisciplinary team member, BrainWoRx brain training program
- Diagnostic audiological services for ENT practice
- Supervision of audiology assistant in provision of audiology services

ACADEMIC AND PROFESSIONAL HONORS

2014 – present Alpha Upsilon Delta Honors Society

2008 – present Alpha Eta Society

PROFESSIONAL AFFILIATIONS

2012 – present Teaching and Learning Academy

2008 – present American Academy of Audiology

PROFESSIONAL LICENSES AND CERTIFICATION

Audiology License, State of Florida (AY1524)

GRANTS AND RESEARCH

College of Health Care Sciences (CHCS) and College of Nursing (CON) Research Grant (2012-2013). \$4,968. *Reliability Measure of a New Pediatric Auditory Processing Assessment*. Principal Investigators: Sarah Wakefield, AuD; Co-Investigators: Erica Friedland, AuD, Teri Hamill, PhD, and Nancy Rowe, MS.

U.S. Department of Health and Human Services - Health Resources and Services Administration (HRSA) Federal Grant (2007 – 2014). *The Florida Coastal Geriatric Resources, Education, and Training Center (GREAT GEC)*. Principle Investigator: Pandya, N. Audiology Interdisciplinary Team Member: Wakefield, S.

COMPETITIVE REFERREED PROFESSIONAL PRESENTATIONS & POSTER SESSIONS

Davie, J. & Wakefield, S. (2016). Is it here or over there? On the path to identifying the locus of auditory processing disorders. *American Academy of Audiology Poster Session*. Phoenix, AZ: April 15.

Hamill, T., Wakefield, S., Andrews, J. (2016). Simulation and E-Resources in Audiology Education. *American Academy of Audiology Learning Module*. Phoenix, AZ: April 14.

Davie, J. & Wakefield, S. (2016). Is it here or over there? On the path to identifying the locus of auditory processing disorders. *Academy Research Conference Poster Session*. Phoenix, AZ: April 13.

Wakefield, S. (PI), Hamill, T., Friedland, E., Rowe, N. & Rauh, S. (2015). Test/Retest Reliability of the NeuroNet Auditory Processing Screening Measure: *American Academy of Audiology Poster Session*. San Antonio, TX. March 27.

Wakefield, S. (2015). APD Grand Rounds: *American Academy of Audiology Featured Session*. San Antonio, TX: March 28.

Light, L. & Wakefield S. (2011). APD as a Model of a Functional Disconnection Syndrome: *American Academy of Audiology Instructional Course*. Chicago: April 15.

INVITED PRESENTATIONS

Wakefield, S. (2016). Cognition and Hearing loss. Guest Lecture for Nova Southeastern University Life Long Learning Institute. Davie, FL: October 26.

Wakefield, S. (2015). Aural Rehabilitation Course. Guest Lecture for Nova Southeastern University Life Long Learning Institute. Davie, FL: June 4th, 11th, 18th, 25th.

Wakefield, S. (2014). Auditory and Vestibular Processing Disorders. Guest Lecture for Nova Southeastern University OT Sensory Integration Course. Davie, FL: February, 8.

Wakefield, S. (2013). Auditory and Vestibular Processing Disorders. Guest Lecture for Nova Southeastern University OT Sensory Integration Course. Davie, FL: February, 14.

Wakefield, S. (2012). APD and Primitive Reflex Integration. Bridge to Healing. Jupiter, FL: June 20.

Wakefield, S. (2012). Auditory and Vestibular Processing Disorders. Guest Lecture for Nova Southeastern University OT Sensory Integration Course. Davie, FL: October 4.

CONTINUING EDUCATION
