

Dear Student:

As Academic Director of the NSU PA Program Fort Lauderdale, I want to be the first to congratulate you on being accepted into our Physician Assistant Program. I know it took hard work and dedication to have reached this point in your life, and you deserve much recognition for having achieved this goal.

I welcome you and assure you that the faculty and staff will strive every day to make this program and your educational experience the best that it can be. We ask that you, as a student in this program, and thus a representative of both the University and the profession, also strive to be the best that you can be.

The first day of orientation will be held on Monday, May 17th, 2021. Guests of students are welcome and encouraged to attend the events on Monday; however, the remainder of the orientation week is intended only for students.

Please read through all orientation documents on the orientation web site carefully, as there may be items that you must complete prior to the first day of orientation. Pay particular attention to those items that you must complete and send into the Office of Admissions and the instructions to register for classes. If you have any questions about any of the items, feel free to contact me either via e-mail or directly by phone. My e-mail address is diana.cherkiss@nova.edu and my telephone number is 954 262-1849 or 1-800-356-0026 ext. 1849. You may also contact Mrs. Judy Dickman, our Admissions Counselor, at 954-262-1109 or e-mail Mrs. Dickman at dickman@nova.edu.

Orientation documents are available on the orientation website.

On behalf of our Program Director, Prof. Stephen Andreades, and the faculty and staff, congratulations and welcome to the NSU family. I look forward to meeting you on May 17th.

Sincerely,

Diana Cherkiss, MMS, MPH, PA-C
Academic Director
Associate Professor
NSU Fort Lauderdale PA Program
