 - Reflex/percussion hammer***
 - Tuning fork (256 Hz)***
 - Flexible tape measure with standard and metric measurement capability***
 - Cotton balls***
 - Coffee grounds and cinnamon in separate small containers***
 - Physical Diagnosis equipment bag***
 - Approved PD lab uniform***
 - Nova PA Program T-shirts (must be approved by Program)***
 - Navy solid blue gym shorts without logos except NSU logo, (may be cotton or mesh)***
-

Please note:

- Any instrument/equipment questions should be directed to the Physical Diagnosis Course Directors, Professor Finck @ mf1245@nova.edu or Co-Director, Dr. Rappa @ rappa@nova.edu.
- Students who already own any of the required instruments/equipment are NOT required to purchase new equipment as long as it functions properly, meets your needs as a Physician Assistant student, and has been approved by both the program and PD Course Directors.
Only full-sized, rechargeable, 3.5v diagnostic instruments are accepted.
