

Jackie M. Davie
Nova Southeastern University
CHCS - Audiology
(954) 262-7766
Email: jd1282@nova.edu

Education

- PHD, The Pennsylvania State University, August 2005.
Major: Communication Disorders
Dissertation Title: Diagnosis, Incidence, and Duration of Otitis Media in Daycare-Attending Infants and Toddlers
- MS, The Pennsylvania State University, May 1996.
Major: Communication Disorders
Dissertation Title: Normal Word Recognition Scores for the PBK-50 Word Lists in Multitalker Background Noise
- BS, The Pennsylvania State University, August 1994.
Major: Communication Disorders

Licensure and Certification

- Florida CMS certification, Florida Department of Health. (March 2011 - Present).
- Special Olympics Clinical Coordinator, Special Olympics International. (June 2010 - Present).
- Audiology Professional License, Florida Department of Health. (April 15, 2009 - December 31, 2015).
- Certificate of Clinical Competence, American Speech Language Hearing Association. (May 1997 - December 31, 2015).

Professional Positions

Academic - Post-Secondary

- Full Professor, Nova Southeastern University. (July 1, 2021 - Present).
- Associate Professor, Nova Southeastern University. (July 2015 - June 30, 2021).
Clinical precepting of first and second year students; didactic teaching for on-campus and UK courses
- Associate Professor, Nova Southeastern University. (June 1, 2009 - September 30, 2013).
Classroom and Clinical Educator for Audiology Doctoral students. Was a member of the Institution Review Board.
- Assistant Professor, Bloomsburg University of Pennsylvania. (August 1, 2003 - May 30, 2009).
Classroom educator and research mentor for Audiology Doctoral Students. Served on the Institutional Review Board and was Director of Health Sciences.
- Research Assistant, Pennsylvania State University. (August 1997 - August 2000).
Collected data for an NIH-NICCH funded study. Evaluated otitis media and its impact of hearing

and speech and language development in infants and toddlers.

- Clinical Fellow and Instructor, Towson University. (August 1996 - August 1997).
Worked as an audiologist in the university clinic. Instructed undergraduate students in the Communication Disorders program.

Professional

- Clinical Audiologist, Hear4Kidz, Inc. (October 7, 2013 - July 10, 2015).
Responsible for diagnostic and intervention services for pediatric and adult clients.
- Audiologist, UPMC Children's Hospital of Pittsburgh. (August 1, 2000 - August 1, 2003).
Responsible for pediatric assessment and intervention. Mentored Doctor of Audiology student from the University of Pittsburgh.

Professional Memberships

- Cheers to Ears: Best Practices for AuD Faculty. (November 2017 - Present).
- American Auditory Society. (January 2016 - Present).
- American Academy of Audiology. (January 2009 - Present).
- American Speech Language Hearing Association. (August 1996 - Present).

Development Activities Attended

- Self-Study Program, "Clinician Well-Being: The Science of Self-care," Ida Institute. (August 11, 2022).
- Conference Attendance, "AAA 2022 Annual Conference and HearTech Expo," American Academy of Audiology, St. Louis, MO, USA. (March 30, 2022 - April 2, 2022).
- Conference Attendance, "American Auditory Society Scientific and Technology Conference," American Auditory Society, Virtual, USA. (March 4, 2021 - March 6, 2021).
- Conference Attendance, "American Auditory Society Annual Conference," American Auditory Society, Scottsdale, AZ, USA. (March 5, 2020 - March 7, 2020).
- Conference Attendance, "Annual Conference 2019," American Academy of Audiology, Columbus, OH, USA. (March 27, 2019 - March 30, 2019).
- Conference Attendance, "Annual Scientific and Technology Conference," American Auditory Society, Scottsdale, AZ, USA. (February 28, 2019 - March 2, 2019).
- Conference Attendance, "Florida Speech Language and Hearing Conference," FLASHA, Naples, FL. (July 26, 2018).
- Conference Attendance, "American Auditory Society Annual Conference," American Auditory Society, Scottsdale, AZ, United States. (February 28, 2018).
- Seminar, "“Building your Leadership Capacity”," Clinical Education Conversations Webinar “Building your Leadership Capacity”, Fort Lauderdale, FL, USA. (December 1, 2017).

- Annual Scientific and Technology Conference of the American Auditory Society, American Auditory Society, Scottsdale, AZ. (March 4, 2017).
- Continuing Education Program, "OAEs from A2Z," Nova Southeastern University, Davie, FL, USA. (November 5, 2015).
- Seminar, "Matching Teaching to How Students Learn," Nova Southeastern University, Davie, FL, USU. (November 3, 2015).
- Continuing Education Program, "Pediatric Vestibular Disorders Symposium (Teleconference)," Cincinnati Children's Hospital, Davie, FL, USA. (October 23, 2015).
- Continuing Education Program, "Practice Management Seminar by Paul Pesis," Nova Southeastern University, Davie, FL, USA. (September 18, 2015).
- Seminar, "Small Teaching: From Minor Changes to Major Learning," Nova Southeastern University, Davie, FL, USA. (August 20, 2015).
- Conference Attendance, University of Pittsburgh, Pittsburgh, PA, USA. (June 13, 2013 - June 15, 2013).

Awards and Honors

- AAA Professional Poster Award, American Academy of Audiology. (March 28, 2019).
- Alpha Eta Honor Society, Alpha Eta. (August 16, 2018).
- Outstanding Support Over the Years, Special Olympics of Florida Healthy Community. (November 17, 2017).
- Certificate of Achievement, Florida Department of Health and Newborn Screening Program. (September 2017).
- Certificate of Achievement, Florida Department of Health and Newborn Screening Program. (August 2017).
- Recognition of Dedication and Support of NSU Audiology, Special Olympics of Florida Healthy Community. (November 2016).
- Certificate of Achievement, Florida Department of Health Newborn Hearing Screening Program. (July 2016).

TEACHING

Teaching Experience

Nova Southeastern University

- AUD 5070, Research I: Introduction, 1 course.
- AUD 5302, Acoustics & Instrumentation, 4 courses.
- AUD 5303, Psychoacoustics & Spch Percep, 5 courses.
- AUD 5305, Psychoacoustics, 2 courses.
- AUD 5602, Intensive Clinical Labs, 4 courses.
- AUD 6402, Diagnostics II, 6 courses.

- AUD 6504, Implantable Hearing Tech, 2 courses.
- AUD 6510, Clinic I, 1 course.
- AUD 6511, Clinic II, 1 course.
- AUD 7060, Genetics of Hearing Impairment, 1 course.
- AUD 7120, Electrophysiology: Auditory, 2 courses.
- AUD 7130, Pediatric Audiology, 1 course.
- AUD 7135, Pediatric Audio Rehab, 1 course.
- AUD 7161, Genetics of Hearing Impair, 4 courses.
- AUD 7194, Aud Clin Grand Rounds, 1 course.

Academic Advising

- 0 undergraduate students advised, 11 graduate students advised, approximately 30 hours spent per year. (2020-2021).
- 0 undergraduate students advised, 10 graduate students advised, approximately 30 hours spent per year. (2019-2020).
- 16 graduate students advised, approximately 20 hours spent per year. (2018-2019).
- 15 graduate students advised, approximately 20 hours spent per year. (2017-2018).
- 15 graduate students advised, approximately 20 hours spent per year. (2016-2017).
- 15 graduate students advised, approximately 20 hours spent per year. (2015-2016).

Non-Credit Instruction

- Clinical Preceptor in the NSU Audiology Clinic. Supervision of students as they see patients in the clinic. Clinical Instruction, Nova Southeastern University, 16 participants. (July 2015 - Present).
- New preparation for Case Studies. Seminar. (August 2018 - December 2018).
- Instructed NSU University School AP Biology Class about audiology clinical activities related to sensory systems and neural action potentials. Guest Lecture, NSU Department of Audiology, 29 participants. (November 21, 2016).

Directed Student Learning

- Practicum Instructor. (August 2016 - December 2016).
Advised: Second Year Class
- Practicum Instructor. (May 2016 - August 2016).
Advised: Second Year Class
- Practicum Instructor. (January 2016 - April 2016).
Advised: Second Year Class
- Dissertation Committee Chair. (May 2009).
Advised: Deanne Berry
- Dissertation Committee Chair. (May 2009).
Advised: Meredith Cordisco

- Dissertation Committee Chair. (May 2009).
Advised: Tyson Hale
- (May 2009).
Advised: Lynda Steelman
- Dissertation Committee Chair. (August 2008).
Advised: Kristen Hunter
- Dissertation Committee Chair. (August 2008).
Advised: Nicole Stioakas
- Dissertation Committee Chair. (May 2008).
Advised: Anisha Parkeh
- Dissertation Committee Chair. (May 2008).
Advised: Lisa Krebs
- Dissertation Committee Chair. (May 2008).
Advised: Nicole Cooper
- Dissertation Committee Chair. (December 2007).
Advised: Maria Revak
- Dissertation Committee Chair. (May 2007).
Advised: Jennifer Wus
- Dissertation Committee Chair. (May 2007).
Advised: Marcia Bowman-Glibert
- Dissertation Committee Chair. (May 2007).
Advised: Rebecca Huzzy
- Dissertation Committee Chair. (May 2006).
Advised: Amanda Pisarz
- Dissertation Committee Chair. (May 2006).
Advised: Danielle Caiola
- Dissertation Committee Chair. (May 2006).
Advised: Katarina Vavrovicova
- Dissertation Committee Chair. (May 2006).
Advised: Phoram Sanghavi

CLINICAL PRACTICE

Davie - Audiology

- Precept student clinicians during pediatric and special populations for the assessment and treatment of hearing loss. (August 2015 - Present)

Non-NSU clinical site

- South Florida Pediatric Otolaryngology, 1505 S. Andrews Ave, Fort Lauderdale, FL
- Assessment of hearing loss in pediatric and special needs population while precepting NSU Doctor of Audiology students (November 2015 - Present)
- Special Olympics of Florida Healthy Athletes Healthy Hearing
- Various locations
- Assess and treatment of hearing loss for patients with special needs (May 2010 - Present)

RESEARCH AND SCHOLARSHIP

Published Intellectual Contributions

Book Chapters

Contracts, Grants and Sponsored Research

Grant

- Davie, J. M. (Principal), Friedland, E. B. (Co-Principal), "Comparison of behavioral and auditory steady state response hearing thresholds in adults.," Sponsored by PCHCS/ACON Research Grant, Nova Southeastern University, \$4,922.00.
- Fitzharris, K. (Principal), Davie, J. (Supporting), Friedland, E. (Supporting), "Evaluating Auditory Pathway Function and Auditory Processing Skills in Children and Adults," Sponsored by American Academy of Audiology Foundation, Other, \$10,000.00.

- Fitzharris, K. (Principal), Davie, J. M. (Co-Principal), "Evaluating Auditory Pathway Function and Auditory Processing in Children," Sponsored by FY 18 CHCS/CON Faculty Research and Development Grant, Nova Southeastern University, \$5,000.00. (February 2018 - February 2020).
- Fitzharris, K. L. (Principal), Davie, J. M. (Supporting), Friedland, E. B. (Supporting), "Evaluating Auditory Pathway Function and Auditory Processing in Children," Sponsored by CHCS-CON, Nova Southeastern University, \$5,000.00. (February 1, 2018 - February 1, 2020).
- Davie, J. M. (Principal), Fitzharris, K. L. (Supporting), Kay, S. G. (Supporting), Friedland, E. B. (Supporting), Estes, R. I. (Supporting), Griffin, D. (Supporting), "Differential Diagnosis in Auditory Processing using Electrophysiology," Sponsored by NSU President's Faculty Research Development Grant, Nova Southeastern University, \$9,338.85. (July 2018 - June 2019).

Non-Funded Research

- Davie, J. M., Friedland, E. B., Murphy, R., Norgaard, S., "Comparison of behavioral and auditory steady state response hearing thresholds in adults", On-Going, Scholarly. (Start Date: May 19, 2021).
- Fitzharris, K. L., Davie, J. M., Friedland, E. B., Shears, L., Cardona, D., Kansky, R., Griffin, K., "Examining the Feasibility of the Speech Oddball Auditory Brainstem Response", On-Going, Scholarly. (Start Date: January 2018).
- Davie, J. M., Wakefield, S., "Identification of the locus of auditory processing disorders", On-Going, Scholarly. (Start Date: August 2015).
- Gaffney, P. A., Davie, J. M., "Tone burst vs chirp stimuli on VEMP amplitude and latency", Complete, Scholarly. (Start Date: March 8, 2019, Completion Date: October 2020).

Intellectual Contributions in Submission

Refereed Journal Articles

- Gaffney, P. A., Davie, J. M. Can the chirp replace tone bursts for cVEMP assessment? A comparison of latency and amplitudes in normal participants. *Journal of the American Academy of Audiology*.
- Davie, J. M., Fitzharris, K. L. When listening is a concern, hearing screenings do not always provide the answer. *Journal of Developmental & Behavioral Pediatrics*.

SERVICE

Department Service

- Davie, J. M., Needleman, A. R., Gaffney, P. A., Chairperson, Faculty Evaluation Committee. (October 2020 - Present).
Evaluate applications for continuing contracts and promotion in the Audiology department.
- Davie, J. M., Applicant Interviewer, Admissions Committee. (November 2015 - Present).
Interview and selection of prospective students
- Davie, J. M., Committee Member, Committee on Student Progress. (August 2015 - Present).
Committee developed to address academic and professionalism issues for our Doctor of

Audiology students. As a committee member, we review each case individually to determine if any intervention is necessary regarding satisfactory academic progress, and similar issues.

- Needleman, A. R., Gaffney, P. A., Davie, J. M., Wakefield, S., Committee Member, Comprehensive Exam Committee. (January 2013 - Present).
Development and administration of clinical case study questions for oral comprehensive examination.
- Nicholson, N., Davie, J. M., Needleman, A. R., Gottschalk, K., Committee Member, Audiology Admissions Committee. (July 1, 2021 - June 30, 2022).
Patricia Gaffney is the Admissions committee chair. The committee consists of four faculty meetings working in two interview teams. The committee meets one to two Fridays per month from December to March. The responsibilities include applicant review, rating, intervention and admissions decisions.
- Nicholson, N., Fitzharris, K. L., Davie, J. M., Gottschalk, K., Needleman, A. R., Gottschalk, K., Spence, L. J., Jurkas, J., Committee Member, Audiology Committee on Student Progress. (July 1, 2021 - June 30, 2022).
The ACSP shall hear all referrals for academic, behavioral, and professional issues in the Audiology department. The committee members will follow the policies and procedures outlined by the university, HPD, college, and department.
- Nicholson, N., Davie, J. M., Gottschalk, K., Needleman, A. R., Committee Member, Audiology Search Committee. (July 1, 2021 - June 30, 2022).
The responsibility of the search committee is to vet applicants for open positions and to make recommendations regarding candidates qualified to fill the position.
- Davie, J. M., Chairperson, New Faculty Search Committee. (January 2021 - November 2021).
Responsible for the organization and implementation of the new faculty search process.
- Friedland, E. B., Needleman, A. R., Gaffney, P. A., Davie, J. M., Fitzharris, K. L., Gottschalk, K., Nicholson, N., Program Organizer, Department Curriculum Committee - Annual Retreat. (August 27, 2021).
The Curriculum Committee is tasked with ensuring that the curriculum is contemporary, lays the proper educational foundation for students, and is aligned with best practice of the profession.
- Nicholson, N., Gaffney, P. A., Needleman, A. R., Davie, J. M., Committee Member, Audiology Admissions Committee. (July 1, 2020 - June 30, 2021).
Dr. Gaffney is the Admissions Committee Chair. The committee consists of four faculty working in teams of two. The committee meets one or two Fridays per month December to March for about 3 hours each time. Responsibilities consist of applicant review, rating, interview, and admission decisions.
- Nicholson, N., Fitzharris, K. L., Needleman, A. R., Davie, J. M., Gottschalk, K., Spence, L. J., Jurkas, J., Committee Member, Audiology Committee on Student Progress. (July 1, 2020 - June 30, 2021).
The ACSP shall hear all referrals for academic, behavioral, and professional issues in the Audiology department. The committee members will follow the policies and procedures outlined by the university, HPD, college, and department.
- Nicholson, N., Davie, J. M., Needleman, A. R., Gottschalk, K., Committee Member, Audiology Search Committee. (July 1, 2020 - June 30, 2021).
Dr. Jackie Davie is the chair of the search committee. It is convened on an as needed basis to recruit and fill open faculty positions. The chair is chosen from faculty. All faculty and staff participate in the intervention process in some capacity.

- Davie, J. M., Fitzharris, K. L., Ingrao, B., Committee Chair, Oral Comprehensive Exams Committee. (April 2019 - 2020).
Faculty committee charged with designing updated grading rubrics and cases for annual oral comps of third-year AuD students.
- Nicholson, N., Needleman, A. R., Davie, J. M., Gaffney, P. A., Committee Member, Audiology Admissions Committee. (July 1, 2019 - June 30, 2020).
Dr. Patricia Gaffney serves as the chair of this committee. The committee consists of four faculty working in two interviews teams. Interviews occur one to two Fridays per month from December to March. Responsibilities of the committee consist of applicant review, rating, interview and admissions decisions.
- Davie, J. M., Needleman, A. R., Gaffney, P. A., Chairperson, Faculty Search Committee. (July 2019 - May 30, 2020).
Responsible to searching and hiring individuals for open faculty positions.
- Davie, J. M., New Faculty Mentor, Peer Mentor. (July 1, 2017 - January 2020).
Mentored new faculty member Dr. Katharine Fitzharris. When she arrived to NSU, she was a new Ph.D. graduate who had limited teaching experience. I was asked to mentor her due to my many years of teaching experience. The relationship developed into a research partnership as she became more comfortable with her teaching responsibilities.
- Nicholson, N., Needleman, A. R., Gaffney, P. A., Davie, J. M., Committee Member, Admissions Committee. (October 9, 2018 - June 30, 2019).
Dr. Patricia Gaffney serves as the chair of this committee. The committee consists of four faculty working in two interviews teams. Interviews occur one to two Fridays per month from December to March. Responsibilities of the committee consist of applicant review, rating, interview and admissions decisions.
- Davie, J. M., Needleman, A. R., Wakefield, S., Hamill, T., Mc Callum, K. O., Chairperson, Faculty Search Committee. (August 2016 - October 2018).
Faculty Position Search Committee
- Friedland, E. B., Needleman, A. R., Gaffney, P. A., Davie, J. M., Fitzharris, K. L., Andrews, J., Nicholson, N., Ingrao, B., Committee Member, Department Curriculum Committee - Annual Retreat. (October 19, 2018).
The Curriculum Committee is tasked with ensuring that the curriculum is contemporary, lays the proper educational foundation for students, and is aligned with best practice of the profession.
- Davie, J. M., Marketing Director, Clinical Marketing. (July 2015 - July 2017).
Marketing director for the campus audiology clinic. I manage and develop the advertising online, as well as contacting local physicians and organizations. I create educational materials for physicians and patients.
- Friedland, E. B., Needleman, A. R., Gaffney, P. A., Hamill, T., Andrews, J., Davie, J. M., Program Organizer, Department Curriculum Committee - Annual Retreat. (July 14, 2017).
The Curriculum Committee is tasked with ensuring that the curriculum is contemporary, lays the proper educational foundation for students, and is aligned with best practice of the profession.

College Service

- Davie, J. M., Committee Member, Center for Academic and Professional Excellence. (August 2022 - September 2022).
Committee member appointed by Assistant Dean for Professional Development and Education. Committee tasked with restructuring the Center for Academic and Professional Education (CAPE)

courses on Research. Initiative came after the College's Research Committee evaluated the needs of the faculty regarding research development.

- Davie, J. M., Cheng, M. S., Nicholson, N., Faculty Mentor, CAPE Step into Research Course Lead Instructor. (September 2021 - December 2021).
To assist faculty who desire to develop an introductory-level knowledge about research design, methods, concepts, and internal funding. This course will provide participants with the basic skills

Health Professions Division Service

- Davie, J. M., Lieberman, H., Faculty Mentor, New Faculty Research Mentor. (November 2021 - Present).
Mentored Occupational Therapy faculty member Helene Lieberman through a research project. Ms. Lieberman was new to academia and research; she has a clinical degree and had never completed any previous research activity.
- Davie, J. M., Committee Member, HPD Community Outreach Committee. (December 2018 - Present).
- Davie, J. M., Alternate Member, HPD Research Committee. (August 2018 - Present).
Promote research development with the college.

University Service

- Davie, J., Committee Member, Internal Review Committee. (October 2018 - January 2019).
Critically evaluate and create a report to the Provost regarding the Department of Audiology the department's ability to be a pre-eminent program in comparison to top tier Audiology programs.
- Davie, J. M., Committee Member, Institutional Review Board. (August 2009 - September 2013).
Reviewed submissions to the IRB
Attended meetings to discuss research proposals
Give presentations regarding the research process and human subjects
- Davie, J. M., Mc Callum, K. O., Smith, K. B., Committee Member, Task Force on Best Practices. (March 2013 - June 2013).
The committee was charged to determine the current clinical education practices within the college. I along with the other sub-committee members determined what the current practices are for clinical education from each of the clinical directors throughout the college. We were charged with evaluating best clinical practices for our student clinical placements. We evaluated our programs and other clinical programs, reporting our findings to the college.
- Davie, J. M., Committee Member, President's Faculty Research and Development Grant 2013-2014. (January 2013 - March 2013).
