 Dr. Pallavi Patel College of Health Care Sciences
 Master of Science in Anesthesia – Anesthesiologist Assistant

Degree Title	Level	Degree
Anesthesia	Master	M.S.

Professional Licensure Disclosure Statement: At this time, NSU has determined that the Master of Science in Anesthesia program of the Dr. Pallavi Patel College of Health Care Sciences meets the educational degree completion requirements for licensure in every state where Anesthesiologist Assistants are able to practice. This includes Alabama, Colorado, Georgia, Guam, Florida, Indiana, Kentucky, Michigan, Missouri, New Mexico, North Carolina, Ohio, Oklahoma, South Carolina, Texas, Vermont, District of Columbia, and Wisconsin. It is nonetheless strongly encouraged that students determine any additional requirements for licensure in these states. Prospective students should note that all other states and U.S protectorates as defined in 34 CFR §600.2 do not employ Anesthesiologist Assistants as part of their anesthesia care team, therefore Master of Science in Anesthesia graduates cannot be licensed in those states. A complete listing of states and licensure status for the Master of Science in Anesthesia program is provided below.

PROGRAM MEETS EDUCATIONAL REQUIREMENTS <i>Anesthesia practices in these states employ Certified Anesthesiologist Assistants (CAA) as part of their anesthesia care team.</i>	PROGRAM DOES NOT MEET EDUCATIONAL REQUIREMENTS <i>Anesthesia practices in these states do <u>not</u> employ Certified Anesthesiologist Assistants (CAA) as part of their anesthesia care team.
