

Anesthesia Literature Summary

(Please type or print legibly in black ink.)

All applicants are required to read and summarize an article of their choice from the current anesthesia literature and submit a maximum of one page, typed, double-spaced summary of the article. The article may be a clinical investigation, laboratory investigation, or a review article, but not a case report. Please choose an article from one of the following three journals (You may be charged a fee for an article):

1. ANESTHESIOLOGY published by Lippincott Williams and Wilkins
Web site: <http://www.anesthesiology.org>
2. ANESTHESIA AND ANALGESIA published by Lippincott Williams and Wilkins
Web site: <https://journals.lww.com/anesthesia-analgesia/pages/default.aspx>
3. JOURNAL OF CLINICAL ANESTHESIA published by Elsevier Science
Web site: <https://www.journals.elsevier.com/journal-of-clinical-anesthesia>

Be prepared to discuss the article that you chose during the interview process.
