

Dear Class of 2025:

I would like to congratulate you on your acceptance into the Entry-Level Doctor of Occupational Therapy (OTD) Program on behalf of the Nova Southeastern Ambassadors. Welcome to one of the most exhilarating and rigorous 3.33 years of your life!

You have reached a major milestone in your path to becoming an occupational therapist. Over the next few years, you will have the opportunity to learn from incredible, experienced professors while developing meaningful relationships with your cohort through shared experiences. Believe it or not, in just a few short years your professors and fellow classmates will be your colleagues!

As exciting as this time is, I am aware that many of you may have some remaining unanswered questions, such as how to maximize your experience on a face-to-face campus or maybe simply where is the best place to live in the Davie area. As your ambassadors we are willing to answer any questions about student life you may have through the Facebook page that has been created for your cohort.

If you would like to speak to any of us personally, we are always available to assist you, as well.

The first SOTA meeting of your NSU experience will be tentatively Friday, May 27<sup>th</sup>, 2022, at noon. While not mandatory, we encourage you to attend to start creating your home away from home at NSU Ft. Lauderdale/Davie. The Ambassadors are here as well as SOTA to provide you with experiences to connect you with other students, our campus, and the community, which we hope you take advantage of during your time at NSU. Enjoy every moment of this unique experience, and please feel free to reach out to me with any questions.

Sincerely,

Jess, [ja2522@mynsu.nova.edu](mailto:ja2522@mynsu.nova.edu)
