NSU Identity

Retrieve your username and set your password at <http://www.nova.edu/resources/nsuidentity.html>

Students

Your username is automatically generated and assigned to you when you become a new student. Prior to login to any of the NSU systems you need your username, and you are required to setup your account password. Passwords must have:

- A minimum of 8 characters in length.
- Passwords should contain a mix of uppercase letters, lowercase letters, numeric digits, and special characters (at least 3 of the 4 classes).

Student email addresses are in the format of username with the addition of @mysnu.nova.edu domain. (e.g., username@mysnu.nova.edu).

[RETRIEVE YOUR USERNAME](#)

[SET YOUR PASSWORD](#)

Requires a text-enable (SMS) cell phone number or external email provided during the admission process.

If you are not successful in receiving a verification code via SMS or external email, please contact the NSU Help Desk ([954\) 262-4357](tel:954-262-4357) for further assistance with setting your password.

This is your digital identity while you are a student NSU

- If you don't know your NSU ID, use the last 4 digits of your social security number and it will give your NSU ID or "N" number (make a note of this number)
- Make sure to set your password!

Important Registration Information:

- **Student Enrollment Agreement (SEA)** must be completed to proceed with registration
 - For questions about the SEA go to <http://www.nova.edu/registrar/faqs.html> or call the Office of the University Registrar at (954) 262-7200
- **Payment** is due to the Bursar's Office as soon as you have registered for classes
 - Late fee of \$100 is assessed on accounts 30 days past due (30 days from beginning of the term)
 - A hold is also placed on a delinquent account that prevents future registrations, viewing grades, ordering a transcript or diploma.
 - Click on the Tuition and Fee Assessment link on the Registration Menu in Webstar to review your tuition and fees for this term
 - Log onto NSU's e-Bill, available at www.nova.edu/nsuebill to view your account and make payments online

Important Registration Information:

- **Health Insurance Waiver** is available for completion 24 hours after you register
 - You must carry health insurance to be enrolled in the DPT program (can be your own or through NSU plan)
 - If you have your own health insurance, you must waive the NSU health insurance or you will be automatically charged (no refunds if you do not waive)
 - Visit <http://www.nova.edu/bursar/health-insurance/index.html> to view information about health insurance and to access the health insurance waiver form
- To **view your schedule** click on Student Schedule by Day and Time or Student Detail Schedule on the Webstar Registration Menu
 - To get to the Registration Menu, click the menu icon on the toolbar located in the top right corner of the page
 - If you want to print your class schedule, click the printer icon on your web browsers toolbar

Compliance Information:

- In order to attend NSU and participate in clinical education experiences, ongoing evidence of continued compliance is a requirement for all students. Compliance requirements include (at a minimum):
 - background checks (level I and level II)
 - drug screens
 - certificate of physical exam
 - Immunizations
 - proof you have health insurance
 - CPR certification
- In addition to above, students may be required to complete additional compliance requirements specific to each facility where they may be placed for their clinical experiences
- **IMPORTANT NOTE:** DPT students should not get physical exams or Tuberculosis testing until after orientation.

Compliance Information:

- The DPT Program requirements for proof of immunizations is **more rigorous** than that of the College of Health Care Sciences. As a result, we require proof of vaccination **and** results of titers via lab blood draw. Detailed information about the immunization and other compliance requirements can be found at <https://healthsciences.nova.edu/pt/orientation/orientation-overview.html> under the Compliance Timeline and Checklist link. Please use the Compliance Item Criteria section to understand exactly what you need to prove for each requirement.
- The immunization form found at https://healthsciences.nova.edu/studentaffairs/orientation/forms/immunization_form.pdf should be used to document the proof of immunizations **and** titers. Language on the form states that either proof of immunizations or titers should be documented, but you need to document **BOTH**
