EDUCATION

- 2002 Doctor of Science (ScD), Department of Work Environment, University of Massachusetts Lowell, Lowell, MA. Concentration in ergonomics and musculoskeletal epidemiology. Dissertation **"Evaluation of an Ergonomic Intervention in Washington State Nursing Homes."** (Advisors: Punnett, Buchholz, Wegman, Silverstein).
- 1990 Master of Public Health (MPH), School of Public Health and Community Medicine, University of Washington, Seattle, WA. Thesis research **"An Evaluation of a Corporate Worksite Smoking Policy."** (Advisors: Ehreth, Carter).
- 1978 Certificate in Physical Therapy (PT), Columbia University College of Physicians & Surgeons, New York, NY.
- 1978 Master of Science (MS), Ithaca College, Ithaca, New York. Concentration in exercise physiology. Thesis research **"Anthropometric, Physiological and Psychophysical Alterations in College Women Consequent to an Aerobic Dance Training Program."** (Advisor: Burke).
- 1976 Bachelor of Arts (BA), Dance Major, Physical Education Minor, State University College, Brockport, NY.

EMPLOYMENT

- 2017 -- current Physical Therapy Department, DPT Program, Dr. Pallavi Patel College of Health Care Sciences
Nova Southeastern University, Tampa FL
Professor and Research Coordinator
- 2011 -- 2017 Physical Therapy Department, DPT Program, Dr. Pallavi Patel College of Health Care Sciences
Nova Southeastern University, Tampa FL
Associate Professor and Research Coordinator
- 2007 -- 2010 James A. Haley VA Medical Center, HSR&D/RR&D Research Center of Excellence, Tampa FL
- Research Associate/Health Science Specialist
- 2006 -- 2011 School of Physical Therapy & Rehabilitation Sciences, College of Medicine, University of South Florida, Tampa FL
- Assistant Professor
- 2003 -- 2005 Department of Physical Therapy, College of Applied Health Sciences, University of Illinois at Chicago, Chicago IL
- Clinical Assistant Professor
- 1998 -- 2003 Safety and Health Assessment for Research and Prevention (SHARP) Program, WA

- State Department of Labor & Industries, Olympia WA
 - Ergonomist I and Project Manager
- 1999 -- 2000 Program in Physical Therapy, University of Puget Sound, Tacoma WA
 - Research Advisor Student Capstone Project
- 1996 -- 1998 Physical Therapist Assistant Program, Hesser College, Manchester NH
 - Associate Professor and Chair
- 1996 -- 1997 Department of Physical Therapy, Sargent College, Boston University, Boston MA
 - Lecturer and Laboratory Instructor
- 1995 -- 1996 Safety, Health, and Environment Group, Osram-Sylvania, Danbury MA
 - Consultant, Ergonomics and Occupational Health
- 1985 -- 1995 Safety Resources and Health Services, US West Communications, Seattle WA
 - Regional Manager, Ergonomics
 - Physical Therapist
 - Training and Education Provider
- 1984 -- 1985 Sound Physical Therapy, Seattle WA
 - Physical Therapist
- 1983 -- 1984 Providence Hospital SportClinic & Virginia Mason Sports Medicine Clinic, Seattle WA
 - Physical Therapist, Athletic Trainer
- 1980 -- 1987 Department of Dance, Cornish College of the Arts, Seattle WA
 - Faculty
- 1978 -- 1983 University of Washington Sports Medicine Clinic and Department of Orthopaedics, University of Washington, Seattle WA
 - Physical Therapist, Athletic Trainer
 - Adjunct Faculty Orthopaedics
 - Lecturer, Dance

TEACHING

Higher Education Courses Taught

Nova Southeastern University DPT Program

- PHTT 6700 Introduction to Evidence-Based Practice
- PHTT 6802 Application of Evidence-Based Practice
- PHTT 6900 Evidence-Based Capstone
- PHTT 6915 Patient/Client Management post Amputation
- PHTT 6920 Applied Clinical Decision Making
- Adjunct in other courses

Nova Southeastern University Faculty Residency Program Coordinator

Nova Southeastern University PhD Program

University of South Florida

- PHT 6284 Foundations 1
- PHT 6285 Foundations 2

- PHT 7264 Clinical Problem Solving 1
 - Musculoskeletal Team Leader
- PHT 7607 Critical Inquiry 1
 - Course Director
- PHT 7640/PHC 6050 Biostatistics
 - Liaison
- PHT 7265 Clinical Problem Solving 2
 - Musculoskeletal Team Leader
 - Course Director
- PHT 7626 Critical Inquiry 2
 - Course Director
- PHT 8266 Clinical Problem Solving 3
 - Musculoskeletal Team
- PHT 7618 Critical Inquiry 3
 - Course Director
- PHT 7539 Human Error and Patient Safety: An Interdisciplinary Course

University of Illinois at Chicago

Course Director & Primary Instructor

- PT 617 Joint Function and Movement
- PT 631 Musculoskeletal Dysfunction I
- PT 632 Musculoskeletal Dysfunction II
- PT 629 Science in Practice Seminar I
- PT 630 Science in Practice Seminar II

Hesser College

Course Director & Instructor

- Capstone Seminar

Sargent College, Boston University

Lecturer and Lab Instructor

- Musculoskeletal Disorders sequence, lab instructor

Cornish College of the Arts

Course Director & Instructor

- Kinesiology for Dance
- Care and Prevention of Injuries for Dancers

University of Washington

Course Director & Instructor

- Basic & Advanced Sports Medicine (Department of Orthopaedics)
- Kinesiology for Dance (Department of Dance)
- Clinical Instructor for PT students

Doctoral Students

- 2017 -- Kimeran Evans, PT, DPT, Occupational & Environmental Sciences, WVU School of Public Health, West Virginia University (Committee Member. Chair Doug Myers ScD)
- 2010 -- Stephanie Hart-Hughes, PT, University of South Florida, Medical Sciences Concentration in Clinical and Translational Research. "Gait characteristics and implications for locomotor training in Veterans following TBI." Defended research proposal 1/2011. (Committee Member).

- 2007 -- 10 Roberta Capewell, MSN, Rocky Mountain University, Nursing Specialty Program. "Evaluation of a toolkit for safe patient handling in the home care setting." (Committee Member; served as Interim Chair due to illness of Chairman).
- 2005 --07 Marc Campo, PT, New York University, Program in Biomechanics and Ergonomics. "Work-related musculoskeletal disorders in physical therapists." (Advisor).

Invited Educational Presentations

- 2012 *Creating a culture of mobility for inpatient environments.* Panel. APTA Annual Conference, Tampa FL.
- 2009 *Toolkit for implementing safe patient handling programs (preconference course).* 9th Annual Safe Patient Handling & Movement Conference, Orlando FL.
- 2009 *Physical therapists and safe patient handling.* 3rd National HealthCare Ergonomics Conference, Portland OR.
- 2008 *Safe patient handling in rehabilitation – and overview (Keynote), plus 4 other sessions.* OSHA Region V Conference & University of Wisconsin-Milwaukee Course, Milwaukee WI.
- 2008 *Exposure to ergonomic risk factors in physical therapy.* University of Illinois at Chicago Pilot Projects Research Forum, Chicago IL.
- 2005 *Patient handling and low-lift programs.* North Carolina Chapter APTA Fall Conference.
- 2004 *Patient handling and ergonomics.* University of Michigan Center for Ergonomics course on Healthcare Ergonomics, Chicago IL.
- 2004 *Lessons learned from WA State "Getting to zero" study.* Oregon OSHA Healthcare Ergonomics Conference, Portland OR.
- 2003 *Getting to zero lift and staying there.* Occupational Health Special Interest Group, Orthopaedic Section. APTA Combined Sections Meeting, Tampa FL.
- 2002 *Getting to zero lift.* Alaska Governor's Annual Safety and Health Conference, Anchorage AK.
- 2001 *The WA State getting to zero study and implementing health and safety interventions.* Division of Workplace Health and Safety, Brisbane Australia.
- 2001 *Getting to zero in WA State nursing homes.* WorkCover Corporation & Australia Nursing Federation, Adelaide, Australia.
- 2001 *Getting to zero in WA State nursing homes.* WorkSafe Victoria, Melbourne Australia.
- 2001 *Evaluation of an ergonomic intervention: Getting to Zero in WA State nursing homes (Keynote).* Ergonomics Society of Australia Annual Meeting, Sydney Australia.
- 2001 *Alternative approaches to resident transfers. Panel.* Oregon Alliance of Senior & Health Services Fall Conference, Bend OR.
- 2000 *Zero lift programs: do they work?* Northwest Center for Occupational Health and Safety Conference.
- 1996 *Ergonomics for physicians.* American Osteopathic College of Rehabilitation Medicine Meeting. Denver CO.
- 1994 *Ergonomics in the corporate setting.* Annual Conference on Strategies in Workers' Compensation. Seattle WA.
- 1993 *Ergonomics in the workplace.* WA State Governor's Industrial Safety and Health Conference. Seattle WA.
- 1993 *The effect of ergonomic interventions. Panel.* American Public Health Association Annual Meeting.
- 1992 *Occupational stress and unions.* NIOSH & APA Conference on Workplace Stress. Denver CO.
- 1991 *Working within the employer setting.* Industrial Rehabilitation Association of Washington. Seattle WA.
- 1982 *Therapy for the care and prevention of dance injuries.* University of Washington Scientific Aspects of the Art of Dance. Seattle WA.
- 1982 *Dance injuries and the athletic trainer.* NATA Annual Meeting. Seattle WA.

1979 *Uses of dance in physical rehabilitation.* Workshop. Columbia University, New York NY.

SCHOLARSHIP

FUNDING

Funding Received

- 2016-18 Nova Southeastern University President's Faculty Research & Development Grant. "Walk 'N Roll: A pilot physical activity program for people with a disability." Shaw (PI), Rockefeller. \$15,000.
- 2015-16 James A. Haley VA Hospital Center of Innovation on Disability and Rehabilitation Research (CINDRR) Intergovernmental Personnel Act (IPA) Agreement. "Safe patient handling and mobility technologies in rehabilitation to improve patient mobility and function." Rugs (PI), Powell-Cope, Bulat, Campo, Darragh, Harwood, Kuhn, Rockefeller. \$13,338.56. Funded.
- 2013 APTA Section on Health Policy and Administration Research Grant. "Physical therapists and safe patient handling and movement in states with/without policy." Weaver (PI) and Rockefeller. \$7,600.
- 2011-14 Nova Southeastern University HPD Educational Research Grant. "Where does the time go? A work sampling study comparing faculty activities in traditional and hybrid DPT programs." Rockefeller (PI), Blackinton, Cherry, Riba, Shaw. \$10,000.
- 8/4/09 – 08/1/10 James A. Haley VA Medical Center, HSR&D/RR&D Research Center of Excellence, Tampa FL. "Evaluation of the VAMC Safe Patient Handling Initiative." Co-investigator. 20% salary.
- 8/4/08 – 8/3/09 James A. Haley VA Medical Center, HSR&D/RR&D Research Center of Excellence, Tampa FL. "Evaluation of the VAMC Safe Patient Handling Initiative." Co-investigator. 40% salary.
- 1/7/08 – 5/30/08 James A. Haley VA Medical Center, HSR&D/RR&D Research Center of Excellence, Tampa FL. "Evaluation of the VAMC Safe Patient Handling Initiative." Co-investigator. 30% salary.
- 2006-07 UAW-Ford National Joint Committee on Health and Safety. "Validity and reliability study of the Ergonomics Surveillance Tool and Program." Co-investigator with Bernard and Drinkhaus. \$140,000.
- 2005-06 National Institute for Occupational Safety and Health. T42OH008672-01. "Ergonomic risk factors in the practice of physical therapy. Principal Investigator." \$15,000.

Requested but Not Funded

- 2011 VA RR&D. "Gait Characteristics: Implications for Locomotor Training in Veterans Following TBI." Co-PI with Hart-Hughes (PI), Groer, Scott, Darkangelo, & Massengale. \$199,459 requested for 2 years. (10% effort). Not funded.
- 2010 Doris Duke Charitable Foundation Fund for National Projects. "Dance Wellness Project." Co-PI. \$160,118 requested. Not funded.
- 2009 USF Interdisciplinary Researcher Development Grant. "Assessing risks for musculoskeletal disorders and exposure to violence in home health physical therapy work." Co-PI with Daisy Chang, PhD, Department of Environmental and Occupational Health, College of Public Health. \$49,870. Not funded.
- 2008 Florida Medical Malpractice Joint Underwriters Association Dr. Alvin Smith Grant Program. "Evaluation of safe patient handling equipment in the home." With Capewell, R. \$1,000,000 requested; program canceled.
- 2006 National Institute for Occupational Safety and Health. "Exposure assessment of physical job risk factors in physical therapy." Submitted application for R03 funding." \$100,000 total for 2 years. Not funded.

OTHER SERVICE TO THE PROFESSION

2016 --	Co-chair of OHSIG task force to develop curriculum on occupational health physical therapy ergonomics curriculum content
---------	--

- 2014 Helped manage the 5th National Healthcare Ergonomics Conference in Portland OR
- 2012 -- Subject matter expert for APTA questions related to safe patient handling and mobility
- 2012 Co-leader of task force to develop curriculum on safe patient handling and movement for physical therapist education
- 2010 Requested to participate on OHSIG task force to revise APTA Guideline on Ergonomics.
- 2010 Member of working group APTA Education Section strategic plan for research.
- 2010 Requested by APTA to review the WCPT Draft Policy Statement on “occupational health and safety of physical therapists.”
- 2009 Invited to assist in developing strategic plan for APTA participation in the Global Bone & Joint Decade Network Conference held in 2009. Group focus was on “acute and repetitive strain occupational injuries” led by Dr. Kristin Archer.
- 2008 Invited by National Association of Orthopaedic Nurses to review algorithms developed for safe patient handling and movement in the orthopedic setting.
- 2008 Representative of OHSIG on Orthopaedic Section task force to develop items for APTA Clinical Research Agenda (CRA).
- 2008 -- 11 Participant, author, reviewer for APTA task force developing content on safe patient handling and movement in rehabilitation to produce course for APTA Learning Center.
- 2006 -- 08 Chair APTA/OHSIG initiative to develop an Alliance with the Occupational Safety and Health Administration (OSHA).
- 2006 -- 10 Member, Executive Board OHSIG task force writing application for clinical specialty in occupational health physical therapy; application submitted 10/2010.
- 2006 Invited participant original **Bottom Line** committee for the journal *Physical Therapy*.
- 2006 Invited participant expanded interdisciplinary task force to plan strategies to integrate therapeutic safe patient handling in rehabilitation settings.
- 2005 Invited participant **Hooked on Evidence** task force developing patient scenarios for evidence on low back pain.
- 2005 -- Member of APTA Media Spokesperson Network
- 2005 Invited participant International Work Group to create a falls prevention program to meet needs and concerns of people aging with multiple sclerosis for the study: “Addressing concerns about falling among older adults with multiple sclerosis.” University of Illinois at Chicago Department of Occupational Therapy, Co-PIs M. Finlayson & E. Peterson. Funded by the Retirement Research Foundation.
- 2003 Invited participant interdisciplinary on task force of the APTA, Rehabilitation Nurses Association, and the VA joint project on the use of equipment and ergonomic guidelines in the rehabilitation setting. Produced a white paper published in 2004.
