

ANESTHESIOLOGIST ASSISTANT (AA)

MASTER OF SCIENCE
IN ANESTHESIA (M.S.)—
FORT LAUDERDALE/DAVIE

NSU Florida

At a Glance

- Earn your degree in 114 credit hours.
- The program begins once per year, in May, and can be completed in less than two-and-a-half years.

Program Format

- The program is offered at the Fort Lauderdale/Davie Campus.

Program Highlights

- The program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP).
- NSU's AA programs are the only ones in the country to have four high-fidelity anesthesia simulators designated for your education.
- NSU's AA programs offer full-time clinical rotations during senior year, with a focus on specialty areas in anesthesia, including general surgery, pediatrics, obstetrics and gynecology, otolaryngology, orthopedics, neurosurgery, ophthalmology, genitourinary surgery, vascular surgery, cardiac surgery, thoracic surgery, transplantation, and trauma.

Immerse Yourself in Surgical Patient Care

Become a highly educated and skilled allied health professional. Learn to develop and implement anesthesia care plans under the supervision of physician anesthesiologists. NSU's M.S. in Anesthesia program, at the NSU Fort Lauderdale/Davie Campus, offers a unique 27-month sequence with an intensive academic and didactic regimen that will prepare you to function within the anesthesia care team.

Get the skills to deliver high-quality anesthesia care with advanced patient-monitoring techniques. Take advantage of NSU's progressive mock operating rooms with an anesthesia simulator and participate in hospital-based clinical rotations. Obtain an extensive clinical training experience that consists of a minimum of 2,000 clinical hours that encompass all aspects of anesthesia care for the surgical patient.

Get the NSU edge.
